

CHECK TODAY, SEE TOMORROW

**"I didn't listen, I never realised,
diabetes can affect your eyes"**

**Diabetes can cause blindness.
Get your eyes checked YEARLY.**

Ask your local clinic about making an appointment today.

CHECK TODAY, SEE TOMORROW

The **'Check Today, See Tomorrow'** Diabetes Eye Care Resources have been developed to support the activities within the *Roadmap to Close the Gap for Vision* to improve eye health outcomes for Aboriginal and Torres Strait Islander people.
