

Replanting the Birthing Trees (RBT) Webinar

Mon 27th May 2024
1.30 pm - 2.30 pm (AEST)

Professor Cath Chamberlain

Join us for our first-ever webinar!

RBT Principal Investigator, Professor Chamberlain will present and lead discussion about this innovative project.

Discussion points:

- What is the RBT project?
- How RBT relates to Birthing On Country as a movement.
- Key lessons from the project so far.
- Ways to collaborate and learn together to build momentum in this important area.

Connect with colleagues in the field, expand your knowledge and contribute to improving healthcare for Aboriginal and Torres Strait Islander bubs and families.

Be part of this important dialogue and register now
